

## Notice for Paper Presentations, Instructional Workshops & Posters

Conference Theme: Evidence Shaping our Practice

The European Seating Symposium is the leading event in Europe for advancing and promoting research, education, training and practice in the field of seating, wheeled mobility and assistive technologies.

The 6th European Seating Symposium (ESS) will take place 13<sup>th</sup> -15<sup>th</sup> June 2018 in Trinity College Dublin with pre-symposium sessions taking place on the 12<sup>th</sup> of June.

We invite you to submit a paper, poster or instructional workshop for peer-review by our International Scientific Committee. Please ensure that the submission fits the conference theme 'Evidence Shaping our Practice'.

For more details on submission and guidelines and key dates, please visit the

[ESS 2018 Website](#)

All accepted abstracts, whether papers, posters or workshops, will be published in the book of conference proceedings. The best paper presentation, as voted for by the delegates, will also receive the accolade of the "ESS 2018 Best Conference Paper".

Please send your submission through our [Abstract Management System](#). The deadline for submission is Monday 27<sup>th</sup> November 2017. Authors will be notified of abstract acceptance by 1<sup>st</sup> February 2018 to enable Early Bird discounted conference registration rates.

**Submit your abstract**
